REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
ATTN: Certificate of Correction Branch
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.322, the Patentee hereby requests the issuance of a Certificate of Correction in connection with the above-identified patent. A Certificate of Correction setting forth the necessary corrections is submitted herewith as **Exhibit A**.

In particular, the inventorship information listed on the face of the patent is incorrect. In addition to James F. Young, Potomac, MD (US), Scott Koenig, Rockville, MD (US), Leslie S. Johnson, Germantown, MD (US), William D. Huse, Del Mar, CA (US), and Jeffrey D. Watkins, Encinitis, CA (US), Herren Wu, Boyds, MD (US) should be listed as a co-inventor of the claimed invention. In support of the Patentee's request to correct the inventorship information on the face of the patent, the Patentee submits herewith as **Exhibit B** a copy of each of the following documents that were filed in the United States Patent and Trademark Office ("USPTO") on December 30, 2003 in connection with the application that issued as the above-identified U.S. patent using "Express Mail Post Office to Addressee" service under Express Mail No. EV 335 858 132 US:

- (i) a Petition for Correction of Inventorship Under 37 C.F.R. §1.48(a) ("Petition");
- (ii) three (3) counterpart Declarations for Non-provisional Patent Application;
- (iii) a Petition Fee Transmittal;

- (iv) three (3) Statements by the Inventors Being Added Under 37 C.F.R. §1.48(a)(2);
- (v) a Written Consent of the Assignee for Correction of Inventorship Under 37 C.F.R. §1.48(a); and
- (vi) a return postcard listing the documents being filed in the USPTO under Express Mail No. EV 335 858 132 US in connection with the U.S. application that issued as the above-identified patent.

As support of receipt of the above-identified documents by the USPTO, a copy of the postcard returned to Patentee's representatives bearing the official stamp of the USPTO on December 30, 2003 is enclosed as **Exhibit C**. The Petition stated that the claimed invention was jointly invented by James F. Young, Scott Koenig, Leslie S. Johnson, William D. Huse, Jeffrey D. Watkins and Herren Wu, and that at the time the application that issued as the above-identified patent was filed, William D. Huse, Jeffrey D. Watkins, and Herren Wu were inadvertently omitted in error, without deceptive intent, as co-inventors of the claimed invention. Accordingly, the Patentee requests that the patent be corrected to list Herren Wu, Boyds, MD (US), as a co-inventor of the claimed invention.

Since the Patentee complied with the requirements under 37 C.F.R. §1.48(a) to correct inventorship in the application that issued as the above-identified U.S. patent, the error is a Patent Office mistake. Therefore, the Patentee respectfully submits that no fee is required for this Request. However, if any fee is deemed necessary, please charge such fee to Jones Day Deposit Account No. 50-3013.

The Patentee respectfully requests issuance of a Certificate of Correction in due course.

Respectfully submitted,

Date: May 3, 2005
